## **Bullzi Security Inc. Names New CFO**

Lake Mary, Florida, January 2, 2007 – Bullzi Security Inc. names John Dambrauskas as its new Chief Financial Officer (CFO). Mr. Dambrauskas will be working from Bullzi's new headquarters in Lake Mary, Florida. According to Thomas Welch, founder and CEO of Bullzi Security, Inc., "John brings a great deal of value to our firm. With his finance background and knowledge of the public market, John will help us to achieve our goal of becoming a top-tier security firm, both nationally and abroad."

Mr. Welch went on to say, "Being a public company has a number of advantages, but to execute properly, we need an experienced CFO and corporate executive that can guide us through the regulatory process. John will assist us with the SEC reporting requirements, financial planning and acquisition process. Bullzi Security will aggressively seek synergistic companies to acquire and having John on board will allow us to conduct our due diligence, internally, rather than relying on 3<sup>rd</sup> party M&A firms, allowing us to act faster and more efficiently."

Mr. Dambrauskas stated, "I'm looking forward to this new opportunity and have found Bullzi Security to be an exciting firm with a great vision. Collectively, we have a management team that has the knowledge and experience to be a leader in the security field. We look to leverage our position as a public company to raise capital as well as to acquire profitable firms in the security space."

### **About Bullzi Security Inc.**

Bullzi Security is a leader in providing 'converged' security solutions. Through its consulting services and integrated delivery systems, Bullzi Security helps to minimize threats to its clients' assets, facilities, personnel and information systems. As a full service security firm, Bullzi Security offers compliance programs, information security services, physical security solutions, security education programs, document security and investigative services.
